TACERA recognizes individuals that demonstrate excellence in our profession. In the past, we have awarded the **"County Engineer / Road Administrator of the Year"** at our Annual Fall Conference. Eligible candidates for this award are County Engineers, Commissioner's Court Appointed Road Administrators, Public Work Directors, or Staff Engineers.

A nominee for "County Engineer / Road Administrator of the Year" has shown excellence in the field of public works management, promoting public safety and preserving & enhancing road infrastructure. This individual has demonstrated dedication through administration of his/her county's road management program in pursuing the goals of safe roadways while staying within budget.

Again, this year, TACERA is continuing the **"County Road Employee of the Year"** award. Eligible candidates for this award are County Road Supervisors, Equipment Operators, Road Hands, Road Office Administrators or Staff.

A nominee for "County Road Employee of the Year" has shown excellence in performing road work duties, interacting with the public and furthering employee safety. This individual has demonstrated dedication to county road work policies, started new or improved current county road procedures and pursued the goals of safe work practices during county roadway maintenance and construction.

Please be aware that TACERA's four person judging panel will be rotating every year. Therefore, we will have a different panel of judges from last year. Our judges are chosen from a pool of current and former TACERA members.

We would like your nominations for these awards. Nominations will be accepted from County Judges, County Commissioners and or the TACERA Membership. Winners will be announced at the 2023 TACERA Fall Conference in October. **Please return completed nomination forms by 5pm CST on August 31, 2023** to TACERA at tacera1@yahoo.com. If you have any questions, please contact TACERA at 512-260-1376.

Sincerely,

Robert Berndt
TACERA Executive Secretary
